

St Leonard's is a school which operates with the consent of the Catholic Archbishop of Melbourne and is owned, operated and governed by Melbourne Archdiocese Catholic Schools Ltd (MACS).

Introduction

Catholic education is an active partnership between family and school, where families are recognised as the first and ongoing educators of their children. Schools and families partner in the shared privilege and responsibility for children and young people's faith formation, learning, safety and wellbeing.

At St Leonard's, we hold the care, safety and wellbeing of children and young people as a central and fundamental responsibility of our school. Our commitment is drawn from and inherent to the teaching and mission of Jesus Christ, with love, justice and the sanctity of each human person at the heart of the gospel (CECV Commitment Statement to Child Safety).

School Profile

About St Leonard's

St Leonard's School Glen Waverley is in the eastern suburbs of Melbourne and attracts student enrolment from a culturally diverse community. The school was established in 1959 from funds provided by the parish community of Glen Waverley. Currently, class groupings comprise two straight preps and classes of multiage 1/2, 3/4 and 5/6. The school embraces and celebrates the increasing cultural diversity of its families. The school's Wellbeing Centre staff supports and maintains a sustained focus on the wellbeing of students and families by providing opportunities for students to be engaged at a level appropriate to their knowledge, skill, ability and understanding.

St Leonard's is committed to providing equitable access and opportunity for all. The School considers that awareness of, recognition of, and responsiveness to the needs and rights and safety of all individuals are essential to human dignity. Inclusive practices embrace and celebrate diversity, invite belonging and provide opportunities for participation and achievement of appropriate learning outcomes.

Foundational to our work with students, families and the school community is the building of genuine, authentic relationships. The development and promotion of high-quality relationships are responsibilities shared by all members of the school community. All teachers, students, families, parishes and the wider community contribute to fostering life-affirming relationships that recognise and support the inherent dignity of each person.

Aims

Our school is a community that exemplifies the gospel values of love, forgiveness, justice and truth. Our school community recognises that everyone has the right to be respected, to feel safe and be safe and, in turn, our school community acknowledges each member's own obligation to behave responsibly. This Policy is intended to guide our school's actions. It has been developed in consultation with the school community and seeks to prioritise respectful relationships and safety in response to the rights and needs of all members of the school community. A safe and supportive environment respects the rights of all students to learn, the rights of all teachers to teach and the rights of all members of the school community to be safe.

Every person at the school has a right to feel safe, to be happy and to learn. Therefore, our school aims:

- to promote the values of honesty, fairness and respect for others
- to acknowledge the worth of all members of the community and their right to work and learn in a positive environment

- to maintain good order and harmony
- to affirm cooperation as well as responsible independence in learning
- to foster self-discipline and to develop responsibility for one's own behaviour.
