Thank you for your application. Here is some information about St Leonard's.

We are proud to be a Catholic school and we accept and welcome catholic students and students from other religious backgrounds and beliefs if parents are supportive of our Catholic identity and mission. God's love for every person encourages relationships to be at the centre of Catholic schools. As such, learning is a collaborative partnership where parents, staff and students work together.

St Leonard's Primary School is under the governance of Melbourne Archdiocese Catholic Schools (MACS). The MACS 2030: Forming Lives to Enrich the World strategic plan articulates a common purpose and vision.

- We will provide an outstanding education, focused on the formation of the whole person, that has the intellectual, practical and moral excellence of learners at its heart.
- We will aim to deliver the best educational outcome for every student across the breadth of the Victorian curriculum.

To achieve this, we are committed to evidence-based instruction and the active promotion of equity and excellence.

Catholic principles for education in MACS schools:

- MACS schools build communities of faith, hope and love in the light of Jesus Christ.
- MACS schools are collaborative, inclusive, faith-filled communities.
- MACS schools recognise the inherent dignity of every person as being created in the image of God.
- The Catholic intellectual tradition emphasises the pursuit of knowledge and excellence.
- We are inspired by the Gospel to act for a just society.

(Vision for Instruction Flourishing Learners Position Statement 2024)

St Leonard's school is part of St Leonard's Parish. It is our hope that, as you are considering a Catholic School for your child's education, Catholic families also consider the example you set for your children in regard to attending Mass. Sending your child to a Catholic school could well be the perfect opportunity for you to reflect upon your own commitment to the faith and develop a connection to the Parish.

Thank you for completing this first step, your application to be considered for enrolment in our school. We will contact you as your application proceeds further towards the enrolment stage.

Rob Horwood
Principal
